Dear Caroline,

Thank you for your email of 3 April regarding the Stubbington bypass.

I am delighted that we have been able to support the scheme through the third round of the Local Growth Fund. The latest £31.02 million allocation is part of a combined Local Growth Fund package of £182.92 million for the Solent region. I know the Stubbington bypass will have real benefits for local residents, alleviating congestion and transforming the connectivity of the Solent Enterprise Zone and wider Fareham and Gosport peninsula.

I am committed to driving forward progress on the Stubbington bypass. This is a vital local development which must be delivered at pace. I will raise progress on the scheme with Andrew Jones at our next meeting, which is due to take place shortly.
